**MESSAGE FROM MONSIGNOR  
CELEBRATION OF MARRIAGE**

During the month of February for the year of Marriage and Family Life the theme is spousal love. The appropriateness of this is tied of course to Valentine's Day. I thought today I would focus in on the Celebration of Marriage. How does one become married in God's eyes? If there is no divorce in the Catholic Church, what is an annulment?

Marriage is a sacrament. It is a sign instituted by Jesus for the purpose of encountering and receiving God's very own life, commonly called grace. The earthly matter which Jesus transforms into a heavenly sign is the commitment of a man and a woman to give themselves to each other in a perpetual and faithful bond or union. The form by which Jesus through the Church transforms two people into one body is the mutual consent of the spouses. In the Latin Church the spouses are considered to be the ministers of God's grace, mutually giving each other the sacrament of Matrimony by expressing their consent. In the Eastern Church the minister of this sacrament is the bishop or priest who, after receiving the mutual consent of the spouses, successively crowns the bridegroom and the bride as a sign of the marriage covenant.

The key element in marriage is the consent of the spouses. They must freely express their consent. Free means not being under constraint and not impeded by natural or ecclesiastical law. Without free consent there is no marriage. Consent is a human act by which the partners mutually give themselves to each other. It must be an act of the will, free of external coercion or grave external fear. Their choice to give themselves to each other is to be an irrevocable act.

Some difficulties especially in Western culture today is the hesitancy to truly make an irrevocable gift of self. Many people do not recognize the distinction between wanting to make a permanent gift of self and actually doing so. Some enter marriage with the deep-seated attitude that I will commit myself to this marriage as long as it brings me to self-fulfillment. Others intend to be married permanently unless it makes them unhappy. Some enter marriage with an implicit intention of withholding from their spouse the right to fidelity or the right to be open to the gift of children. Some people enter marriage too immature to be capable of making an irrevocable decision. Some people suffer from personality disorders which prevent them from making a true mutual gift of self. These difficulties will raise challenges to any marriage. At times they can be so intense that they prevent a person from making a true act of consent. *(continued on last page)*

**Holy Father's Prayer  
Intentions for February**

**Prisoners**

That prisoners, especially the young, may be able to rebuild lives of dignity.

**Separated spouses**

That married people who are separated may find welcome and support in the Christian community.

There will be a Men's Breakfast today, February 8 after the 8:30 AM Mass. Any men willing to help out in any way should contact Chris Yeagan or Dan Keating.

### **Tim Staples to Speak at Luncheon Event Feb. 19**

Tim Staples, Director of Apologetics and Evangelization for *Catholic Answers*, will speak at a luncheon event on Thurs., Feb. 19, 11:30 a.m. – 1 p.m. at Sts. Anne and Joachim Church in Fargo. Tim will address how the “five non-negotiables” are deal breakers when it comes to Catholics voting in political elections. Abortion, Euthanasia, Embryonic stem cell research, cloning, and so-called homosexual “marriage” are all matters of Moral Law that can never be voted for or supported by any Catholic. Tim will give tools to empower people to “act like Catholics” in every area of their lives, including the voting booth. Cost of the luncheon is \$15/person. Registration is required, deadline is Feb. 12. Registration forms can be found at [www.fargodiocese.org/respectlife](http://www.fargodiocese.org/respectlife) or by calling Rachelle at 701-356-7910. Sponsored by the Fargo Diocese Respect Life Office.

### **Birthdays & Anniversaries**

We will be blessing all the birthday people of each month on the first Sunday of the month. On the Third Sunday we will bless all those celebrating anniversaries that month. If someone has a special birthday or anniversary they wish to be recognized, let us know and we can bless it.

### **Food Pantry**

The food pantry will now be only open ONE day a month.....the 3rd Thursday.

### Parish Secretary Job Opening

As I mentioned in a previous announcement, I was reducing my hours because of Deaconess opportunities in the Lutheran Church. It has turned out to be too much for me to keep trying to also be the parish secretary. I will be resigning my job as parish secretary, but I will stay on until a replacement has been found. I have truly enjoyed the many relationships I have built here and I am saddened that I must leave.

**Please prayerfully consider** being a part time secretary here at OLP. Applications and job descriptions are on the table on the back and on the website: [olp-stagnes.org](http://olp-stagnes.org).

Lector workbooks are available in the Sacristy which help the lectors with the meaning and pronunciation of the readings.

**Reminder:** In the past we have assigned two families a month to clean the church. We now have this done by an outside source. In order to continue having someone clean, we need donations to cover this service. There are envelopes on the entry table. Please take one and help us cover the excellent service we enjoy.

**February 22:** Missing the community feeling of church?? We are inviting you to a free spaghetti supper and the movie, “Heaven is For Real”. Dinner will begin at 5 pm with the movie starting shortly thereafter. Come and enjoy your spiritual family!!

**MESSAGE FROM MONSIGNOR (continued)**

The Church has developed the Tribunal process called an Annulment to investigate the possibility of defective consent. If one party seeks to have a failed marriage investigated, they have the right to do so. The process is one of gathering proofs, such as statements and patterns of behavior that can lead to certainty by impartial judges that the consent in a given marriage was actually defective. If this can be demonstrated to two separate Church Courts, the person will then be declared free to once again attempt a sacramental marriage.
