HOLY FATHER'S PRAYER INTENTIONS FOR MARCH 2013

Respect for Nature. That respect for nature may grow with the awareness that all creation is God's work entrusted to human responsibility.

Clergy. That bishops, priests, and deacons may be tireless messengers of the Gospel to the ends of the earth.

**MESSAGE FROM MONSIGNOR
CREED (cont.)**

He ascended into heaven and is seated at the right hand of the Father.

The Father sent Jesus for one purpose that happens in two movements. The purpose is to bring us into union with God. God wants to adopt as His children to fill us with His Spirit of love and life. He chooses to do this by becoming part of our humanity in the Incarnation of Jesus. The Word of God takes on human flesh in Jesus born of a woman into a human family. He lives a quiet life in Nazareth for a number of years to identify with our ordinary humanity. At the appropriate time when He is about 30 years old He enters into public life to proclaim God's desire to establish His kingdom of love among us. In this movement Jesus is God reaching out to us, inviting us to come to Him. He is God speaking to us, revealing that He has not abandoned us.

The second movement of salvation is Jesus bringing us back to the Father. By being lifted up on the Cross Jesus lifts us from our sins. He shows us the way to eternal life through His Resurrection. He is now our representative. He represents us not as a distinct spokesman for us. Rather He represents us like the vine that represents all its branches no matter when they develop. As this vine, this Body in which we are invited to belong, He returns us as a sacrificial gift to the Father. Jesus ascends to heaven so that we might realize that we are His Body on earth called to continue His mission of salvation. By being incorporated into the Body of Jesus in the sacraments, we continue the work of Jesus. Just as we are being returned to the Father in our Faith, we live out our faith by witnessing to the world with our own actions of love and healing. In a way salvation is spiraling movement to God. As we ascend closer to God through the Spirit we will be moved to reach out to the rest of God's Creation. The more we learn to act with love towards creation, the deeper our awareness of the wonder and love of God for us will be. Ultimately this spiral will bring about the completion of God's creation which will result in the new heavens and the new earth that the book of Revelation describes as the fulfillment of God's work.

SEDER MEAL

Come and experience a Seder Meal. The Seder Meal is the Jewish Passover meal. It is the meal that Jesus was having with his disciples when He gave us His Body and Blood. Our Lady of Peace is going to re-enact the Seder Meal on Wednesday of Holy Week. We would like to have as many parishioners come and take part as possible. Because this is a structured celebration we need to know how many will be taking part. So there will be a signup sheet. The deadline for signing up is March 17. This will not be a full meal but there will be items such as unleavened bread, haroseth, bitter herbs, a bit of lamb and wine or grape juice. To defray the cost we will have a free will offering. The suggested offering would be \$5 per person.

For many of us, this season of Lent is an opportune time to take an honest inventory of the sins or “baggage” of bad habits that currently weigh us down. It is an especially important time to seek God’s forgiveness and our own self renewal. Jesus Christ invites us to leave our sins and “baggage” at the foot of the cross and let go of these struggles that are weighing us down. Catholic Charities Counseling Services can help you in this process of self growth and renewal. It is extremely helpful to have another person assist you in setting up goals for change and helping you to remain accountable to the commitments you have made. Health insurance and EAP programs may apply. A sliding fee scale is available for those without insurance or EAP. Evening appointments may be available. A counseling appointment may be made by calling (701) 775-4196.

Reminder

Our Lady of Peace has Stations of the Cross on Wednesday nights of Lent at 7pm for the whole parish! See you there!

Helping Children in Lesotho

This week we focus our prayers, fasting and almsgiving on Lesotho, where many children lack access to quality education. Only 73% of primary school-age children in Lesotho are enrolled in school. Give to your Rice Bowl this week to support communities working with CRS to provide educational opportunities for children.

Safety Tips

Do you know what “snow fog” is? It’s the residue that is kicked up by other vehicles and it can greatly reduce your visibility. If you are going to pass a truck on a winter road, here are some things you should do first. Look ahead for curves in the road, look behind for other vehicles and slow down. If all is clear and you know what lies ahead, safely pass the truck, get through the snow fog, and return to the right hand lane. For more winter driving safety information, visit www.dot.nd.gov.

Please keep the following people in your prayers:

- ◆ Pam Eken
